

I am passionate about social sector to be part of difference and bringing remarkable changes in the lives of deprived and marginalised communities and individual.

As my graduation and expertise helps me to contribute toward IT and events to support the mission we believe. Since 2010 my work experience is making difference as we are moving on Let's join hands together for a greater cause and bring the light of hope who wishes to see.

You Be the Change You wish to SEE!
Thank You!
